Making Our School Better, Together. The Mary Woodward Parent Support Organization (PSO) was established to promote quality education, communication and understanding among the students, parents, faculty and the community of Mary Woodward Elementary School. The PSO sponsors various academic and social programs, coordinates volunteer activity and conducts fundraisers, all in the spirit of providing enrichment for our students and assistance for the work in the classroom. All parents and legal guardians of enrolled Mary Woodward students are invited to participate in the PSO. There is no cost for membership. Meetings are usually held the second Monday of each month from 9-11am in the cafeteria. For more PSO news online, visit www.marywoodwardpsso.com.

LOOKING FOR A FUN WAY TO GET INVOLVED?

Mary Woodward’s Art Literacy program teaches kids how to appreciate art from a wide array of artists. Parent volunteers (just like you!) work within a team to share 6 prepared lessons and art projects with your child’s class. No art or teaching experience is necessary! Each artist is introduced to the volunteers during a casual meeting where a complete artist lesson and the project are provided.

The program is run entirely by Mary Woodward parents, and is funded by the Parent Support Organization. In order to have a successful program, we need your help!

- Some of the reasons our volunteers love this program:
- It’s a great way to get to know the children and parents of your child’s class
 - The schedule is determined at the beginning of the year
 - Volunteers have an opportunity to learn along with the kids
 - It’s FUN!

Look for signups at Back to School night! If you have any questions, please contact the Art Lit coordinators, Cami Bunnell, Margie Wargo, and Jenna Smith, at artlit chairs@gmail.com.
