#### Making Our School Better, Together.

The Mary Woodward Parent Support Organization (PSO) was established to promote quality education, communication and understanding among the students, parents, faculty and the community of Mary Woodward Elementary School. The PSO sponsors various academic and social programs, coordinates volunteer activity and conducts fundraisers, all in the spirit of providing enrichment for our students and assistance for the work in the classroom. All parents and legal guardians of enrolled Mary Woodward students are invited to participate in the PSO. There is no cost for membership. Meetings are usually held the second Monday of each month.
